POLK'S PASS TO SANTA ANNA.

The Commander of our Naval forces in the Guif is hereby directed not to obstruct the pus sage of Gen. Antonia Lopkz de Santa Anna and suite to Mexico should he desire to return thither.

JAMES K. POLK.

May 15, 1846.

May 15, 1840.

Polk's admission of having granted the pass,

"When orders were issued to the Commander of our Naval forces in the Gulf, on the 15th day of May last, only two days after the existence of the war had been recognized by Congress, to place the coast of Mexico under blockade, he was directed not to obstruct the passage of Santa Anna to Mexico should he return.

—Pole's Annual Message to Congress, Dea, 7, 46.

It remains to be seen whether his return may not yet prove favorable to a pacific adjustment of existing difficulties.—Ibid.

TRIUMPHANT SUCCESS.

CONSUMPTIVES, remember that it is Thomson's Compound Syrup of Tar and Wood Naphtha, which is daily effecting such remarkable cures in pulmonary consumption, asthma, bronchitis, spitting blood, pain in the side and breast, sore throat, hoarseness, pulpitation of the heart, whooping cough, croup, nervous tremors, hives, liver complaint, diseased kidneys, &c.

ANOTHER WONDERFUL CURE! PRILABELPRIA, April 9, 1846.
Last August a year, I caught a violent cold, in onsequence of getting wet in a shower of rain Last August a year, I caught a violent cold, in consequence of getting what ha shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great scretton of purulent materia my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, heath fever; and night sweats rendered me as weak as k'ehild; and at night the sweat literally poured off me! This was my condition when I commoneed using "Thomson's Compound Syrup of Tar and Wood Naphtha." I produced one buttle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfectifically believe this inedictine is far superior to evely other remody for Constimption of the Lungs. Wellar's Blacking is one of the most superb and suifasetory articles of the day. It imparise, brilliance and polish beyond description. We have tried it.— Go and do like wise.—Spirit of the Times, April

By reference to another column, an advertisement will be found for an excellent article of Blacking, in a Liquid form for Boots, &c. It has been highly recommended by many who have tried it. It not only gives, with very little trouble, a beautiful jet notice, but retains it much longer than any other. It is sold by the Agent of the Manufacturer at No. 50, Chemut street. Buy a bottle, one trial will prove the fact.—Phil. Ledger, April 23.

Patent Blacking.—Mr. J. Wellar, No. 50, Ches-nut St., has prepared a Patent Liquid Blacking, which produces a beautiful jet Polish, and does not injure the leather. Those who would have a polish-ed understanding should read the advertisement in another column.—U. S. Gazette, May 1.

Wellar's Patent Japan Blacking is about the best article of the kind we have seen. The polish which it imparts to the susderstandings of man is brilliant and lasting: we have tried it and it boots us to say all this in its behalf.—Evening Bulletin, June 7th.

The Manufacturer can produce numerous testi-monials similar to the above, from private individuals and from other papers, but the above extracts are sufficient to convince any person that the manufac-turer has not exaggerated; but that upon a fair trial the Blacking will be found as represented, excellent J.
